

IBM Cognos Analytics Account Creation

The screenshot shows the IBM Cognos Analytics with Watson interface. At the top, there's a blue header bar with the title "IBM Cognos Analytics with Watson". Below the header, a main content area features a dark background with a central graphic of a computer monitor displaying a chart and several purple 3D cubes. To the left of the graphic, the text "Hello. Welcome to Cognos Analytics with Watson." is displayed, along with two buttons: "Watch video" and "Take a product tour". To the right of the graphic, there's a user profile section for "Nagaprakash E (22522a...)" with the email "enagaprakash1@gmail.com" and a "Profile and settings" link. A vertical sidebar on the right contains links for "My schedules and subscriptions", "Log my session", "About", "Manage product subscription", "Privacy", "Cookie Preferences", "IBM Cognos Analytics Mobile", and "Log out". At the bottom, there are four cards under the heading "Quick launch": "Upload data" (with an upward arrow icon), "Prepare data" (with a gear and document icon), "Exploration" (with a magnifying glass icon), and "Present data" (with a bar chart icon). Each card has a brief description below its title.

Hello. Welcome to Cognos Analytics with Watson.

You can get started right away by taking a look at our introduction video, product tour and Getting Started tab.
